

EDIT GIT-HUB FILE AND ADD FILES

SPRINT_6

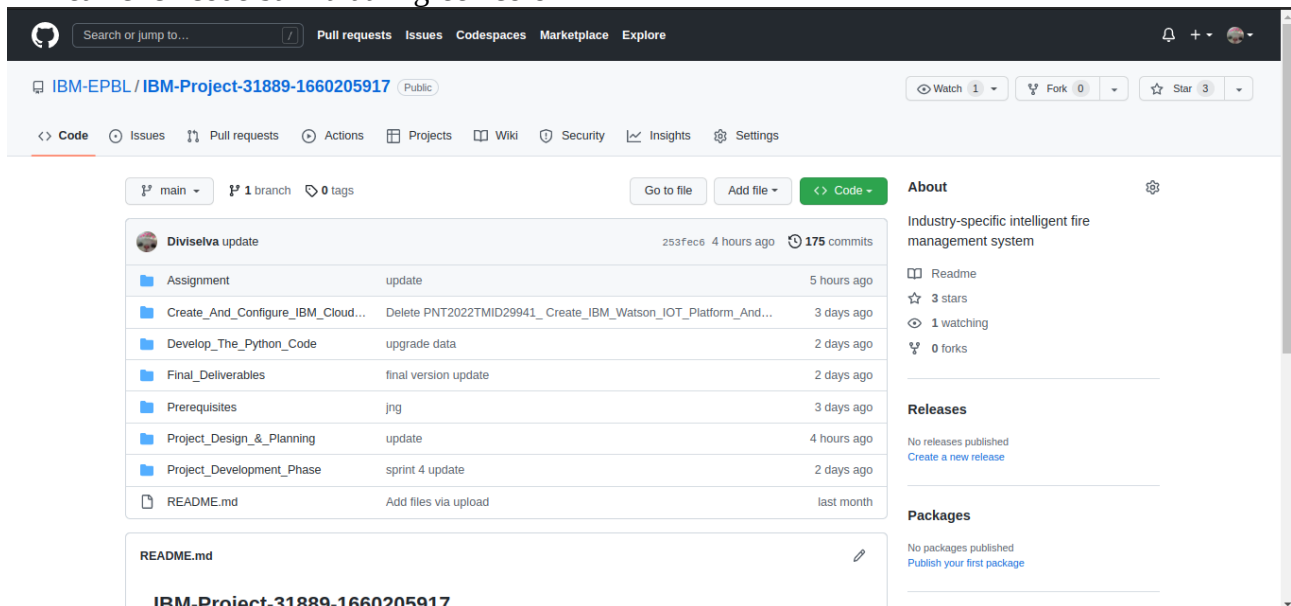

Team ID : PNT2022TMID29941

IBM ID : IBM-Project-31889-1660205917

IN home select IBM repo;

In mean click code bar <that in green color>

Click Codespaces option;

This screenshot shows the GitHub repository page for 'IBM-EPBL / IBM-Project-31889-1660205917'. The 'Code' button in the top navigation bar is highlighted, and its dropdown menu is open. The 'Codespaces' option is selected and highlighted in blue. The dropdown menu also shows 'Local' and 'On current branch' options. The repository page itself shows a list of files and folders, including 'Assignment', 'Create_And_Configure_IBM_Cloud...', 'Develop_The_Python_Code', 'Final_Deliverables', 'Prerequisites', 'Project_Design_&_Planning', 'Project_Development_Phase', and 'README.md'. The 'About' section on the right provides information about the repository, including its name, stars, forks, and releases.

Click create

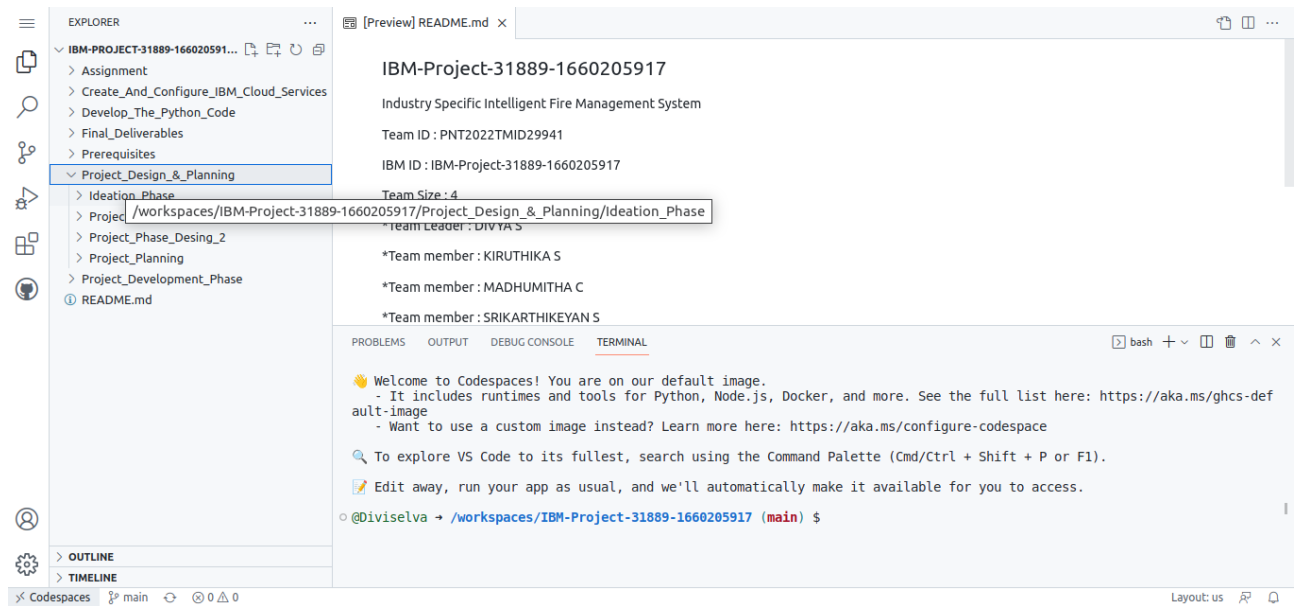

This screenshot shows the same GitHub repository page as the previous one, but with a message indicating that the codespace 'bug-free space adventure' has been deleted. The 'Code' dropdown menu is still open, and the 'Codespaces' option is highlighted. The dropdown menu now shows a message: 'No codespaces. You don't have any codespaces with this repository checked out.' Below this message is a green button labeled 'Opening in codespace' and a link to 'Learn more about codespaces...'. The repository page and 'About' section remain the same.

bases on mean select

Create a new codespace

Repository To be cloned into your codespace	Select a repository ▾
Branch This branch will be checked out on creation	Default branch ▾
Region Your codespace will run in the selected region	Southeast Asia ▾
Machine type Resources for your codespace	None ▾
<button>Create codespace</button>	

The image shows a screenshot of the Visual Studio Code (VS Code) interface. On the left, the "EXPLORER" sidebar displays a project structure for "IBM-PROJECT-31889-1660205917". The project is organized into folders: "Assignment", "Create_And_Configure_IBM_Cloud_Services", "Develop_The_Python_Code", "Final_Deliverables", "Prerequisites", and "Project_Design_&_Planning". The "Project_Design_&_Planning" folder is expanded, showing sub-folders like "Ideation_Phase", "Project_Phase_Desing_2", "Project_Planning", and "Project_Development_Phase". A tooltip is visible over the "Project_Design_&_Planning" folder, displaying project details: "IBM-Project-31889-1660205917", "Industry Specific Intelligent Fire Management System", "Team ID: PNT2022TMID29941", "IBM ID: IBM-Project-31889-1660205917", "Team Size: 4", "Team Leader: DIVYA S", and team members "KIRUTHIKA S", "MADHUMITHA C", and "SRIKARTHIKEYAN S". The main editor area shows a "README.md" file with the same project details. At the bottom, the "TERMINAL" panel is open, displaying a welcome message from Codespaces and a prompt to run the application. The prompt is "@Diviselva → /workspaces/IBM-Project-31889-1660205917 (main) \$".
